Modern Design For a Staff Room at DPS East

This design focuses on creating a calm, comfortable, and inspiring environment that supports both relaxation and informal collaboration. It’s a place that honors the dedication of teachers and offers them a well-deserved moment of peace amidst their busy day.

Modern Design For a Staff Room at DPS South

This interior concept is designed to offer educators a space that blends comfort, functionality, and inspiration. Whether it's for a quiet moment, a quick coffee, or a collaborative chat, the room will reflect the professionalism and care that teachers bring to their work every day.

Library Design for RV DPS North

This design envisions a space that complements the calm and contemplative nature of the library—offering comfort, privacy, and a touch of inspiration.

Helpdesk Design for RV DPS North

This design aims to create a welcoming and well-organized environment where staff can assist visitors and colleagues with ease. With clear visibility, smart layout, and modern aesthetics, the Help Desk will serve as a reliable hub for communication, guidance, and quick problem-solving.
