SINGHAL RESIDENCE

60x40 independent house located in yelahanka Bangalore .It is a g+3 storey house , office at the ground floor and a terrace garden .

Sloped roof has been accentuated in the top floor where a water lily pond is located. vasthu was also considered as a prime factor in this house.

Terrace Garden

Open Green Pockets

Row House

Row housing is considered a cross between an apartment and a bungalow, thus giving you the sense of independence and benefits of community.
Each plot size -20x50.it is a 2 storey building with parking facility. Exposed brick work and concrete finish. Garden in the front and in the terrace level.4bhk house with a connecting courtyard in the middle with natural lighting and ventilation.
